Setting the Standard for Independent Medical Examiners

Enhance your credibility as an independent medical examiner and expert witness by achieving certification through the American Board of Independent Medical Examiners.

Register online at www.abime.org

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Marshall University Joan C. Edwards School of Medicine and ACDM/ABIME. Marshall University Joan C. Edwards School of Medicine is accredited by the ACCME to provide continuing medical education for physicians.

AMA Guides to the Evaluation of Permanent Impairment, 6th Edition

With Review of Principles of Disability Assessment

New Revised Course with Interactive Case Studies!

15 hours of AMA Category 1 continuing medical education credit in Impairment and Disability Evaluation.

COURSE LOCATIONS & DATES

- Charlotte, NC - August 15-16, 2015 • Las Vegas, NV - October 24-25, 2015
- Sydney, Australia - November 5, 2015 • Orlando, FL - March 12-13, 2016

Course Director & Program Chair: **Mohammed I. Ranavaya, MD, JD, MS, FRCPI, FFOM, CIME**
Robert D. Rondinelli, MD, PhD, CIME, Medical Editor AMA Guides 6th Ed
 and **Kathryn L. Mueller, MD, MPH, CIME**

INTENDED AUDIENCE: This course is specifically designed to educate and prepare Physicians/Surgeons of all specialties and Chiropractic Doctors in the use of the AMA Guides to the Evaluation of Permanent Impairment and meets the educational prerequisite to qualify for the CIME/CICE examination through ABIME. *It is recommended that doctors seeking review for the certification exam attend both the Workshops and the AMA Guides Training.*

Others who would benefit from this training program include attorneys, physicians' assistants, nurse practitioners, physical therapists, disability evaluators, nurse case managers, claims examiners, claims managers, adjusters and adjudicators.

PRACTICAL OBJECTIVES

Learn how to:

- Apply the comprehensive knowledge of key concepts, philosophy and underlying principles of the AMA Guides to perform quality impairment evaluations.
- Comprehensively evaluate musculoskeletal injuries claims according to the AMA Guides.
- Evaluate complex cases according to the AMA Guides & Perform excellent IMEs.

Educational Tuition: **US \$895** (\$100 discount for current year ABIME Board of Registry Members)

PROGRAM SCHEDULE *

A comprehensive review of the AMA Guides to the Evaluation of Permanent Impairment, 6th ed.

Day 1

7:00 a.m. Registration and Continental Breakfast
 7:30 a.m. **Welcome & Introduction** and review of course objectives
 7:45 a.m. Key concepts, philosophy and underlying principles of the AMA Guides, **Chapters 1 and 2**
 9:45 a.m. Morning Refreshment Break
 10:00 a.m. **Spine Impairment Rating** with Case Presentation
 12:15 p.m. Lunch and learn with the faculty, Questions/Answers, Discussion
 1:15 p.m. **Upper Extremities Impairment Rating** with Case Presentations
 3:00 p.m. Afternoon break
 3:15 p.m. **Lower Extremities Impairment Rating**
 4:00 p.m. **Beyond Musculoskeletal Systems**, An overview of Chapters 4-12 of the AMA guides and non-musculoskeletal systems mock questions
 6:00 p.m. Adjourn

Day 2

7:00 a.m. Registration and Continental Breakfast
 7:30 a.m. More AMA Guides 6th Edition Case Presentations
 8:30 a.m. A primer on Biostatistics, controversial diagnoses and other issues on the exam
 9:00 a.m. What is the ABIME exam about? An introduction and some tips for MCQ exams
 9:30 a.m. **Mock exam questions** and practice
 10:00 a.m. Morning Refreshment Break
 10:15 a.m. Impairment Rating of the **Nervous System**
 11:00 a.m. Impairment Rating for **Mental and Behavioral Disorders**
 12:15 p.m. Impairment Rating for **Pain**
 1:00 p.m. Adjourn

*The training programs offered here are neither authorized nor sponsored by AMA.

Advance Case Studies Workshop

AMA Guides 6th Edition - Course Code: AdvCs

Designated Locations - Sunday Afternoon - 2:00-6:00pm

A Workshop on Building A Successful Practice for Independent Medical Examiner/Expert Witness

Facilitator: **Mohammed I. Ranavaya, MD, JD, MS, FRCPI, FFOM, CIME**

8 hours of AMA Category 1 CME

Educational Tuition is US \$695 ~ Course # IEW

Intended Audience: Physicians/Surgeons of all specialties and Chiropractic Doctors. Others who would benefit from this training program include attorneys, physicians' assistants, nurse practitioners, physical therapists, disability evaluators, nurse case managers, claims examiners/managers/adjusters and adjudicators.

LEARNING OBJECTIVES

At the conclusion of this learning activity, participants should be able to:

- Understand the need for evidence based scientific testimony in Medicolegal cases
- Describe ethical and professional conduct as Medical Expert Witness
- List the key components of a successful Independent Medical Examiner/Expert Witness Practice
- Discuss various issues commonly addressed in an Independent Medical Examiner/Expert Witness Practice
- Describe how to deal with questions on direct and cross examination during deposition and trial testimony of an Independent Medical Examiner/Expert Witness
- Discuss the proper preparation for deposition and trial testimony
- Discuss how best to deal with the abusive attorneys and their tactics

COURSE LOCATIONS & DATES & TIMES (8:00am - 5:00pm)

- **Charlotte, NC - August 13, 2015**

Learn from an Expert who has trained thousands of Independent Medical Examiners.

1 Location

Traumatic Brain Injuries & Concussion Claims - How to Evaluate Them

Facilitator: **Gerald Steiman, MD, CIME**

4 hours of AMA Category 1 CME ~ Educational Tuition is US \$350 ~ Course # TBI.

Intended Audience: Physicians/Surgeons of all specialties and Chiropractic Doctors. Others who would benefit from this training program include attorneys, physicians' assistants, nurse practitioners, physical therapists, disability evaluators, nurse case managers, claims examiners/managers/adjusters and adjudicators.

LEARNING OBJECTIVES

At the conclusion of this learning activity, participants should be able to:

- Discuss the diagnostic criteria and have a detailed knowledge of the various somatic, behavioral and cognitive complaints which accompany traumatic brain injuries.
- Conduct a thorough evaluation of claims of concussion & be able to diagnose a post concussive syndrome.
- Interpret the commonly encountered neuropsychological tests.
- Discuss the recovery profile following a concussion.
- Apply the knowledge to clinical practice based on the current scientific literature.

COURSE LOCATIONS & DATES & TIMES (1:30am - 5:30pm)

- **Las Vegas, NV - Oct 23, 2015**

A Doctor's Guide to Practical Use of the AMA Guides 5th Edition - An Overview

Facilitators: **Mohammed I. Ranavaya, MD, JD, MS, FRCPI, FFOM, CIME & Robert B. Walker MD**

8 hours of AMA Category 1 CME ~ Educational Tuition is US \$595 ~ Course # OVW.

Intended Audience: Physicians/Surgeons of all specialties and Chiropractic Doctors. Others who would benefit from this training program include attorneys, physicians' assistants, nurse practitioners, physical therapists, disability evaluators, nurse case managers, claims examiners/managers/adjusters and adjudicators.

LEARNING OBJECTIVES

At the conclusion of this learning activity, participants should be able to:

- Perform an independent medical evaluation based on the AMA Guides 5th Edition.
- Explain and present the differences between impairment, function and disability.
- Discuss the critical steps involved in the impairment evaluation using the AMA guides in clinical practice.
- Describe the knowledge content related to the AMA Guides 5th Edition.
- Relate clinical data to case issues and perform evaluations.

COURSE LOCATIONS & DATES & TIMES (8:00am - 5:00pm)

- **Las Vegas, NV - October 22, 2014**
- **Orlando, FL - March 10, 2016**
- **Brisbane, Australia - November 7, 2015**

2 USA Locations

Medicolegal Skills for Independent Medical Examiners and Expert Witness: A Workshop

Facilitator: **Mohammed I. Ranavaya, MD, JD, MS, FRCPI, FFOM, CIME**

4 hours of AMA Category 1 CME ~ Educational Tuition is **US\$350** ~ Course # **MLG**

Intended Audience: Physicians of all specialties. Others who would benefit from this workshop include physicians' assistants and nurse case managers.

This 4-hour workshop is designed to teach physicians who perform independent medical examinations and serve as expert witnesses the skills critical to effectively deal with lawyers and the legal system. *It is recommended that doctors seeking certification exam review attend both the Medicolegal Workshop and the AMA Guides Training.*

LEARNING OBJECTIVES

- Increase effectiveness in practice through a better understanding of the disability and compensation systems and the related law in the US.
- Learn the critical steps involved in providing medical expert witness and independent medical examination services.
- Understand the liabilities and risks for independent medical examiners and how to manage those risks.
- Learn essential skills for deposition and other testimony in court.
- Improve the knowledge of medicolegal issues for independent medical examiners.

COURSE LOCATIONS & DATES & TIMES (8:00a.m. - 12:00 Noon)

- **Charlotte, NC - August 14, 2015**
- **Las Vegas, NV - Oct 23, 2015**
- **Orlando, FL - March 11, 2016**

NEW

Clinical Practice Evidence Based Guidelines Workshop

Facilitator: **Kathryn L. Mueller, MD, MPH, FACOEM, CIME**

4 hours of AMA Category 1 CME ~ Educational Tuition is **US \$350** ~ Course # **CPG**

Intended audience: Independent Medical Examiners for all specialties, physician assistants, nurses, psychologists and attorneys.

All physicians should be familiar with the latest evidence based clinical practice recommendations for their field. This is especially important for Independent Medical Examiners and physicians serving as expert witnesses, as court decisions now depend on the Daubert case which requires experts to use scientifically sound and reproducible evidence.

LEARNING OBJECTIVES

At the conclusion of this learning activity, participants should be able to:

- State at least 5 characteristics of quality evidence-based clinical practice guidelines.
- Apply these characteristics to an existing guideline and properly identify the guideline's weaknesses and strengths.
- Describe the basic practice principles in the ACOEM clinical practice guidelines.
- Explain the ACOEM clinical practice guideline recommendations for spinal surgery, discograms, and spinal cord stimulators and apply them to case examples.

COURSE LOCATIONS & DATES & TIMES (8:00 am - 12:00 Noon)

- **Charlotte, NC - August 14, 2015**
- **Orlando, FL - March 11, 2016**

**Advance
Workshop**

Medicolegal Causation, What does the science say?

Facilitator: **Kathryn Mueller, MD, MPH, FACOEM, CIME**

4 hours of AMA Category 1 CME ~ Educational Tuition is **US \$350** ~ Course # **CAS**

Intended Audience: Physicians from all specialties.

LEARNING OBJECTIVES

At the conclusion of this learning activity, participants should be able to:

- Define standards for causality used in medical legal contexts.
- Interpret evidence and literature for causality analysis.
- Apply steps for the medical legal causality analysis to cumulative trauma and other controversial cases.
- Discuss the difficulties in interpreting common degenerative findings as causally based using spinal injuries as case examples.

COURSE LOCATIONS & DATES & TIMES (1:30 pm - 5:30 pm)

- **Charlotte, NC - August 14, 2015**
- **Orlando, FL - March 11, 2016**

Return to Work and Fitness for Duty Decisions - How to Use a Function Based Approach Workshop

Facilitators: **Randy Soo Hoo, MD, CIME**

4 hours of AMA Category 1 CME ~ Educational Tuition is **US\$350** ~ Course # **RTW**

Navigating the Return to Work and Fitness for Duty process can be frustrating for the medical provider and end-user. The frustration is fueled by the lack of standardization for the understanding of concepts and terminology necessary for a return to work and fitness for duty determinations and due to the lack of standardization of information requested on forms from employers or third party administrators.

Misjudgments can result in an adverse financial impact or claims of negligent assignment. Utilizing an evidence based functional approach is an effective method to navigate the process and assists the medical provider in making an evidence based return to work determination in completing Return to Work, Fitness for Duty, and Disability Forms.

Intended Audience: Physicians/Surgeons of all specialties and Chiropractic Doctors. Others who would benefit from this training program include attorneys, physicians' assistants, nurse practitioners, physical therapists, disability evaluators, nurse case managers, claims examiners/managers/adjusters and adjudicators.

LEARNING OBJECTIVES

At the conclusion of this learning activity, participants should be able to:

- Define terms and concepts used in Return to Work, Fitness for Duty & Disability determinations
- Correlate biomechanical and medical consideration to functional elements of work.
- Discuss clinical tools used to evaluate physical functional capacity.
- Provide strategies for completion of Return to Work, Fitness for Duty & Disability forms.

COURSE LOCATIONS & DATES & TIMES (8:00am - Noon)

- **Las Vegas, NV - Oct 23, 2015**

How to Write Winning Reports Workshop

Facilitator: **Mohammed I. Ranavaya, MD, JD, MS, FRCPI, FFOM, CIME**

4 hours of AMA Category 1 CME ~ Educational Tuition is US \$350 ~ Course # RPT

Intended Audience: Physicians of all specialties.

This workshop focuses on the skills necessary to write persuasive reports in the medicolegal arena. Learn the necessary skills from an expert who has written thousands of persuasive IME reports.

LEARNING OBJECTIVES

This 4 hour seminar will discuss how to write a report that

- Communicates medical information that readers can understand.
- Presents information accurately and convincingly.
- Establishes your credibility and professionalism to a reader.
- Structures material so readers can find information quickly and easily.
- States key points clearly and without ambiguity

COURSE LOCATIONS & DATES & TIMES (1:30 - 5:30pm)

- **Charlotte, NC - August 14, 2015**
- **Las Vegas, NV - Oct 23, 2015**
- **Orlando, FL - March 11, 2016**

General Information

Continuing Medical Education (CME) Credit

Marshall University Joan C. Edwards School of Medicine designates this entire educational activity for a maximum of 39 AMA PRA Category 1 Credit (s)™. Physicians should only claim credit commensurate with the extent of their participation in the activity. Segment registration and attendance verification are required.

QME - California: CME Provider No. 1040

DC - California: ABIME is an approved CME provider for the California & Nevada Board of Chiropractic Examiners.

Eligibility for ABIME Certification Examination

The ABIME Certification Examination follows the ABIME Certification Review Course at each site from 1:00 pm - 6:00 pm. A separate exam application must be submitted along with the required documents. The items listed on the exam application are required in order to complete your file and receive exam results. Please submit the proper documentation as soon as possible. Contact the ABIME office or download the exam application from the ABIME website: www.abime.org. The exam fee is \$995. Please note that the Exam Fee is non-refundable once it is paid and can only be transferred to another exam location within the same calendar year. See the ABIME Course Registration form for Exam dates and locations.

Planning Committee:

Includes all faculty members and the following:

- Robert B. Walker, MD, MS, CIME
- David N. Bailey, MBA, Dean CME
Marshall University Joan C. Edwards School of Medicine

Disclosures:

No Disclosure or Conflict of interest noted for any faculty member or planning committee member.

Eligibility for ABIME Certification Examination for Proficiency in the AMA Guides - **Non-Physician ONLY**

Examination for Proficiency in the AMA Guides for Non-Physicians follows the ABIME Certification Review Course from 2:00pm-3:30pm. A separate exam application must be submitted along with the required documents. Please submit the proper documentation as soon as possible. Contact the ABIME office or download the exam application from the ABIME website. The exam fee is \$350. Please note that only Non-Physicians are eligible for the exam and the Exam Fee is non-refundable once it is paid. See the ABIME Course Registration form for Exam dates and locations.

Faculty Profiles

Mohammed I. Ranavaya, MD, JD, MS, FRCPI, FFOM, CIME, is a Professor of occupational and environmental medicine at the Marshall University School of Medicine in West Virginia and is board certified in occupational and environmental medicine. Dr. Ranavaya also currently serves as the Director of the Appalachian Institute of Occupational & Environmental Medicine in West Virginia. Dr. Ranavaya is the section editor and primary author of several chapters of AMA Guides 6th Ed. Dr. Ranavaya has performed several thousand independent medical evaluations and is an internationally recognized expert on AMA Guides and has taught, globally, over ten thousand physicians skills for performing independent medical evaluations and how to be more effective in the use of the AMA Guides to the Evaluation of Permanent Impairment. Dr. Ranavaya has authored several chapters in various books on Disability Medicine and numerous articles regarding AMA Guides, disability guidelines and independent medical evaluations, etc. Dr. Ranavaya has served as the chair of the editorial board of the Medical Disability Advisor, a book on workplace disability duration guidelines for various injuries and diseases and has served as the senior medical editor for Official Disability guides. He served on the senior editorial advisory board of the AMA Guides 5th edition and is a contributor to the AMA Guides 5th edition. Dr. Ranavaya is the past President of the American Academy of Disability Evaluating Physicians. He is one of the founding fathers and current President of the American Board of Independent Medical Examiners (ABIME) and has helped develop the certifying exam for physicians seeking credentialing as certified independent medical examiners. E-mail: mranavayamd@abime.org Phone: (304) 733-0095. Dr. Ranavaya has no significant financial interests of commercial support to disclose.

Robert B. Walker, MD, MS, CIME, is board certified in Occupational Medicine and Family Medicine. For two decades, Dr. Walker served as Professor and Chair of Department of Family and Community Medicine at Joan C. Edwards School of Medicine - Marshall University, Huntington, WV. He currently serves as Vice Chancellor for Health Sciences for West Virginia Higher Education Policy Commission. Dr. Walker currently serves as the President of the American College of Disability Medicine.

Robert D. Rondinelli, MD, PhD, CIME, editor in chief of the 6th edition of the AMA Guides to the Evaluation of Permanent Impairment, obtained his MD degree from the University of Illinois in 1980 and his Master of Science degree in Rehabilitation Medicine in 1983. He served as faculty member at Tufts-New England Medical Center and the University of Colorado Health Sciences Center, and became a full Professor and Chairman of the Department of Rehabilitation Medicine at the University of Kansas Medical Center, where he worked from 1991 until 2002. Currently, he is the Medical Director of Younker Rehabilitation Services at Iowa Methodist Medical Center in Des Moines, Iowa. He has published numerous peer reviewed research papers on disability measurement, functional outcomes assessment, and the relationship of impairment to disability. He has edited, authored and coauthored several books and multiple book chapters including a major textbook on Impairment Rating and Disability Evaluation, as well as a study Guide for Industrial Rehabilitation Medicine and work disability management.

Kathryn L. Mueller, MD, MPH, FACOEM, CIME is Medical Director for the State of Colorado Division of Workers' Compensation. Dr. Mueller specializes in Occupational and Emergency Medicine and has published extensively in the areas of Occupational Medicine and Causality in Workers' Compensation, Causality assessment and disability management. Dr. Mueller is one of the section editors of the AMA Guides to the Evaluation of Permanent Impairment 6th Edition.

Gerald S. Steiman, MD, CIME is a practicing neurologist in Columbus, with over 25 years experience in performing IMEs. After completing his internship and residency at the University of Manitoba, Canada, he completed a fellowship at the University of Pennsylvania. Dr. Steiman is board certified in neurology and a member of the Royal College of Physicians and Surgeons of Canada. He has authored several articles published in Disability Medicine which focus on the significance of various neurological diagnoses to the IME examiner and has lectured extensively on the use of the AMA Guides.

Randy Soo Hoo, MD, MPH, FACOEM, CIME is a specialist in Occupational Medicine and Family Medicine. He is board certified in both specialties and currently serves as the Medical Director for Medical Dimensions, Inc. in Tucson, Arizona. He is also Assistant Professor of Clinical Medicine, Department of Medicine College of Medicine University of Arizona.

How ABIME Certification Advances Your Career

Certification through the American Board of Independent Medical Examiners (ABIME) sets you apart as a nationally recognized medical examiner. ABIME certification represents the pinnacle of professional competency and integrity, instilling greater client confidence in your capabilities and identifying you as an experienced physician who understands the unique issues of disability evaluation. Physicians certified by ABIME meet the demand for quality, impartial impairment and disability evaluations. Certified physicians are eligible for listing in the ABIME Directory, the number one source for certified IME physicians, utilized by insurance companies, legal firms, case and claims professionals and workers' compensation boards to locate qualified independent medical examiners.

Venue and Hotel Information

Special room rates have been negotiated for ABIME at locations where venue is in a hotel. Please contact the hotel directly at least 1 month in advance to get the special rates. Please book early as number of rooms at these rates are limited.
