How ABIME Certification Advances Your Career

Certification through the American Board of Independent Medical Examiners (ABIME) sets you apart as an Internationally recognized medical examiner. ABIME certification represents the pinnacle of professional competency and integrity, instilling greater client confidence in your capabilities and identifying you as an experienced physician who understands the unique issues of disability evaluation. Doctors certified by ABIME meet the demand for quality, impartial impairment and disability evaluations. Exam will be offered from 1:00 pm - 5:00 pm on April 17, 2016 in Johannesburg, SA and requires a separate application. Please visit www.abime.org for details and the application process.

Invitation from Professor Mohammed Ranavaya, MD, JD, FRCP

*Please accept our invitation to attend a comprehensive training program for the American Medical Association Guides to the Evaluation of Permanent Impairment (AMA Guides) 6th ed. In addition to the ABIME's usual high quality AMA Guides training, next April in Johannesburg, we are also offering the groundbreaking new workshops on **Medicolegal Report Writing and Court testimony Skills Workshop AND Advanced Case studies based on AMA Guides 6th edition Workshop** being held Sunday, April 17, 2016.*

*The **Medicolegal Report Writing and Court testimony Skills Workshop** is specifically designed for doctors of all specialties, physiotherapist, occupational therapist and others to learn a nuts and bolts approach to start, build and successfully run an Independent Medical Examiner/Expert Witness Practice either part-time or full time. The training includes Medicolegal report writing skills. This is an interactive workshop with a hands on approach to learning the skills required in dealing with Lawyers and the legal system as an independent medical examiner and scientific expert witness. The format is mainly audience participation.*

*The **Advanced Case studies based on AMA Guides 6th edition Workshop** is specifically designed for doctors of all specialties, physiotherapist, occupational therapist, lawyers and others who have already been trained in the use of the AMA guides sixth edition and now want to take their skills to the next advanced level. This workshop will cover numerous cases studies that would enhance the skills beyond the initial training in the AMA guides 6th ed. Anyone who has attended a one or two day AMA guides sixth edition training previously should consider attending this advanced cases studies workshop as it would help them advance their skills in the use of AMA6.*

Whether you are a beginner or experienced user of the AMA Guides, you will find this training very useful in enhancing your skills to perform a high quality, valid impairment rating using the AMA guides 6th ed. I look forward to seeing you there.
Mohammed Ranavaya, MD, JD, MS, FRCP, FFOM - President, ABIME
